Production (Toronto)

The Applebox Film Company, Toronto
-Producer, Director.

2013-2015

The Village Green, 10 episode series for the French Canal + network. Shot in Ontario.
Original concept by Tanner Zurkoski, currently airing on the Canal Network. No Canadian or US distribution.
Co Director, Co writer, Co Producer.

The Dot Film Company, Toronto

2013

-Assistant to Producer Gerry Lattmann of the Dot Film Company.
-Helping to facilitate the sale of a multi million dollar film *The Birder* to international markets.
-Contacting and continued communication with sales agents and international distributors in London, Paris, Berlin, LA, and New York.
-Maintaining Producers appointments and schedule. Preparing reports based on research and meetings for presentation.

Keele International, Keele University, Staffordshire, UK

2012

-Produced a commercial for Staffordshire UK based Keele University targeted towards increasing international enrollment.
-Worked with the Keele international department to arrive at the concept that worked best for them and would appeal to North American Youth.
